

ADAM HUBER, RLA
Director of Residential Services / Landscape Architect

EXPERIENCE

Adam Huber has been with Ed Castro Landscape as the Design studio manager since 2005. Adam is a graduate of the University of Georgia and is a registered Landscape Architect. Adam has worked over the past 10 years on a variety of projects including multi-family landscape/hardscape packages, residential design, community amenity packages, campus and resort work, and land planning. Adam has been on the Architectural Control Committee for various high end residential developments, where he reviewed and assisted with all site grading, house placement, and landscape and hardscape submittals made by homeowners and builders. At Ed Castro Landscape, Adam not only serves as the Design Studio manager, but also works on many commercial and residential design projects
