

## **EDWARD CASTRO, BLA, ASLA**

### **President and Principal Designer**

#### **MISSION AND GOALS**

Ed attended the Royal Melbourne Institute of Technology in Australia. In the over 15 years since his apprenticeship at the Derek Lovejoy Partnership in London, Ed has served the Greater Atlanta Metro Area with excellence. As one of Atlanta's leading Landscape Design/Build & Maintenance firms, Ed Castro Landscape constantly strives to be the recognized leader in residential garden design, construction, and maintenance. Partnering environmental responsibility and architectural beauty, Ed Castro works with multiple prominent high end residential builders in the Atlanta area. A sampling of his other projects include: City of Roswell Planting and Maintenance, City of Alpharetta Planting and Maintenance, Cabbage Town Park Construction, Candler Park Renovation, and Chastain Park Design Development Standards. Ed Castro has supported three schools' "Partner in Education" Program. In addition, he currently supports over a dozen of the non-profit organizations in Atlanta committed to improving quality of life.
