

MARK DUNAWAY

Horticulture Manager

EXPERIENCE

Mark Dunaway graduated with a BS in Landscape & Ornamental Horticulture from Auburn University. During his career in the Green Industry he has added to the foundation he formed at Auburn with experience gained as a Greenhouse Grower, a Nursery Manager, a Maintenance Manager, a Landscape Designer, and a national Landscape Quality Control Analyst. With such a broad range of knowledge and expertise he helps assure that Ed Castro Landscape's customers' goals are interpreted into results both practical and beautiful.
